DISRUPTIVE STORYTELLING FOR EMPLOYEE ENGAGEMENT™

We're in a time of incredible upheaval – our politics, our media, our workplaces. Leaders need to communicate across cultures and contexts to keep share a vision of the future to keep their best employees. This keynote and/or workshop gives leaders the blueprint to create stories that engage employees and rise above the disruption.

Leaders will learn how:

- Disruption impacts the workforce and the workplace.
- Strategic stories build a bridge from disruption to engagement.
- How to create and articulate stories that connect leaders to employees.
- How to share a vision of the future that excites employees to follow and share it.
